

Help us Bring the Magic of The Nutcracker to Life this December!

At Reverence Dance Academy, we are eagerly preparing for our upcoming production of **The Nutcracker on Saturday, December 5, 2026, at the Kenowa Hills High School Performing Arts Center!**

Each semester, Reverence Dance Academy puts on a production that gives our dancers the opportunity to showcase their hard work, celebrate their growth, and share their love of dance with family, friends, and our community. This December, we're especially excited to give our students the opportunity to perform on a larger stage and experience the magic of bringing this beloved Christmas tradition to life!

We are inviting local businesses and families to partner with us as sponsors of this special production. Sponsorships help offset the costs of bringing the show to the stage, including theater rental, costumes, printing, advertising, and professional photography.

At the heart of Reverence Dance Academy is our mission to provide a safe, encouraging environment where students can discover a love for dance while keeping the experience affordable for families. An important part of that mission is keeping ticket prices affordable so that family and friends can share in the joy of watching their dancers perform.

By becoming a sponsor, your business will not only receive recognition within our dance community but will also help us create a memorable performance experience for our students and their families.

Interested in partnering with us?

Please read through the sponsorship tiers on the following page and visit our website or scan the QR code to find our sponsorship form. After submitting the form, you will be emailed a link to your preferred payment method (or you may drop off or send it by mail) We'll then follow up with details about submitting your business logo or advertisement and receiving your sponsor recognition.

Thank you for considering supporting Reverence Dance Academy, our dancers, and the performing arts in our community. We are so grateful for everyone who helps to make a performance like this possible!

Karisa Vander Weele
